THIS FAR AND FARTHER

# Foreword

As Seniors, one of the most important phases in our lives is rapidly drawing to a close. Although we have learned, laughed, and cried together for many years, we still need proof of how "FAR" we have come, and also, to show you that are left behind how much "FARTHER" you have to come. For these reasons, we, the WIGWAM Staff, have worked diligently to preserve some of these moments for your enjoyment as well as ours. Now, it is with great pleasure that we present THE 1970 WIGWAM.

# Dedication

Mrs. Drema Leedy

Once again, as another year has passed at Pocahontas High School, we, the Class of 1970, find it very difficult to say goodbye. However, it has become a necessity to say a special "thank you" to one particular person. For the past five years, her sincere attitude, diligent work, and wonderful personality have benefited not only us, but also our school. For helping us to come "THIS FAR", and for showing us the way to go "FARTHER", we dedicate THE 1970 WIGWAM to Mrs. Drema Leedy.

# Appreciation

Mrs. Betty Daugherty

As our final days at PHS are drawing to a close, we find that she has been a big help to us in many, many ways. We realize that without her kind assistance, many days would have been filled with confusion. We, the Senior Class of 1970, appreciate her help and thoughtfulness.

Miss Vivian McNulty

Although we have known her for only a short time, we, the Seniors, feel that she has made our final year at PHS a brighter one. Without her constant smile and charming personality, our most important days as Seniors would have seemed empty. We want to thank her for helping to make our Senior year a happy one.

Mrs. Bessie Walker

Her wonderful personality, excellent advice, and smile shall always be among our memories of PHS. For devoting her time and being a very understanding sponsor, we, the Class of 1970, say "thank you", as a class and individually.

# FACULTY

Mr. Gaza Kovach

For many years, everyone at Pocahontas High School has been inspired by a certain individual. Not only has he directed and taught us to the best of his ability, but his smile and laughter have made our days seem just a little brighter. His leadership at PHS shall reign "FARTHER" than time shall know. The Class of 1970 says, "Thank you, Mr. Kovach, for everything."

God has been with us through all our years;
He has been our guiding light.
His eyes have watched our hopes and fears,
Our struggles, conquests, plights.
His ears have heard our pleas, our prayers;
He has led us toward the right.
With Him, we've overcome our cares;
We've been protected by His might.
Now as we speed toward another world,
The adult world of stress and strife,
May He stay with us as we are hurled
From a teen-age to a grown-up life.
May He shape our minds with love and care,
As He has done ere now.
May He make us, not selfish, but willing to share,
And help us improve our world—somehow.

"We have come this far, and we will go farther."

Time may dim the memories of our years at Pocahontas, but this annual will serve as a lasting reminder of the people and joys we knew while in high school.

We, the 1970 Wigwam Staff, would like to express our appreciation to the many people who have made its publication possible. To the principal, the faculty, our sponsor, the businesses, and our parents—

Thank You
